

Whooooooooooooooooooooo
CLANGCLANGCLANGCLANGCLANG
Police siren/Fire alarm
Goes off between the thighs

you were thinking
now clawing
blue skies red

Sssssssssssssssssssssssss
Sun setting on sea coils
Rising as rattle snakes

ssssssssssssssss
snap your legs
crossed like eyes

OOOGA OOOGA OOOGA OOOGA
As a tail-gate
On your thoughts
Trying to tighten the order of what

you learned
one two three
four five six
pick up tricks

Yeeeeeeeeaaaaaaaaaarrrrrrrrgg!
No steering wheel

no brake

Every silver streak
A mistake into gold
Mmmmmmmoooooooooooooooooooo

I never wanted
to milk it
prolonged

But history's circle
Keeps us
ZZZZZZZZZZZZAAAAAAAAAAAAA PFLAGED
Lugga lugga lugga lugga lugga lugga
Stained shields of metallic honor

shoved into our faces
as grim grin masks
