SUN SPOT 9: STATE FUT TUITION

Positive power, no ? Zolin
asks Ape X. But the so-called
leaders from Africa know that
State Foot Tuition in New Jersey
alters men's & boys' secondary features.
The grants should, therefore, be made
on life & sunning cats.

OH, TO BE PARENTS!

Miss Susan Shapely of the Western
Lhite House was the Mohair Superior
of Truth YPNO Schools until
Albanezy Cawp offered what she couldn't
refuse when he called with his
Always Political Answers, so she went.
And Sixth Universe Gls arrived from
Big E with a map you know of the
Safety Zone. OH FUTBALL TO WEARY PARENTS!
When Reog wakes, we will have what we need.
Contracts are only words.
The machine muttered I am Kmbo
& then went dead.
