As the said. By where. The rivers. Run on. Sentences. A rhythm. Bends. As verbals fling the stones. Reflex the arch. Type moves to type. To ripple. Round again. To round. Plumbs down. The leaden silence rings.

This. As the echo. By the side of. Carries. For the form forms. Even. If nowhere. Is.

Not seen. A quality. By the which. For laid. Out. Spreads. Itself. To more. For sure of. Multiplies.

How therefore can you not. By reason of. The same. Said. Saying what you will. Will not. But. Still. Beam. As the focus. There. Unfound.

The sound for shadowing. The cry boxed. Pricked to darkness. Where a light pins otherwise. A picture. Stores. And grins.

Shrill on the coming. Being. There. In is the ever same. Everywhere. One. Which. One by one. Must. Falls as it will.

Divides. A specter. Short of. Seeing. How. Running by running. By time. Caught. Stops the watch.

The ball and chain. Provides. The scope scoops. Shovels all into the pale. From out of which. Complexions. Change. As the weight the balance moves.

These are the verbs. Whereby. By thru them. Thoroughly. An action chronicles. A tall sad sadness trails. And sometimes is the tail.

What ends. Where beginnings. Were. As by stopping. All motion. Signifies. To nothing. Proves that they are. Where. After sometimes. Noting. A change-place. Takes. And forms.

The picture. Prints and negatives. To view. A sight seen. Finish. Flashes. In the square of visions.

Cubed. Where the seconds. Lodged. Enlarge upon. An area discloses. Why a coloring. The matter of the same. Stills. Silences to landscape.

As the rush harsh in. The high relief. Black-whites. The blood-bleed. Relief of light. Smash. Bulbs. The go beyond.

Applied. As the wound seeks. Otherwise to view. A smile. Drawn. With. Upon. Withdraws exposure.

Retiring. The public. Late and linger. Following. And fingering of mass. Approval stares. The eyeball disapproves.

The go. Beyond. To no refractory. The no light get in. Non-sensations. Colors less. And knows no others.

But what is. Is. Awfully. As all approves. The must be. Showing. As by why. All is. The motes and millbeams. Winding. In the stare. Off suns.

The winnowing of wills. As whys between. No other but such happiness. Divises. Whirrs. Oh heaven bent for all of. Colors. Less. By less disclosures.

As the wind. Dried. Bean. Stalks. Pops to seed. A handful. Blows on blows. Between. Squeezes. Breed. And hybrid. Cross. Which purposes. By fallow. Years awaiting. Fruits. The many vegetables. The ears of corn. Growth waiting. Growths. As bound. Thereby. The spread bread levellings. The shirred. The husked breath.

These and others. Like to. Limbs. Are waiting. Sift to drop. Their rhythm tributaries. Streams of blood. Green feeding green. The nitrogen of earth. Cell. Cellulosed. All sugared watered. Being. Birth as seen not. Always momentary. Blows. The whisper billow. Leaved and vine. Swoln. Sworn. Stretched. Wracked. Where the wind must whip. The skin bath. Feeding. All this must. As had to. PLexus. By the sun. In housed. The growth must run. As wholes are. Extending to extension.

Spaced. Where the wind dried bean. Bent. Fissured. All by seams. The dried sown. Seeking. Spores. Felt. Fallen. Felled. Where the knife. Cut. Issue. Dies. Elastics. As the wires of the waves. The hidden airs. The songs fled. Feasting. Somewhere. By a sea-drowned. Murmur. Stars. As sands to gravel. Turns. The hours. Solar. Black to. Back. By night. By nearness. Milk. Spread. Tabled. Shed. Upon the waves of air. Eaten. Phrase. All. Scintillation seething.

Time then. As the dare between. The color. Losing lost. Dried. Suddenly as fed. The door where. Opens. For the close of season.

Reasons why. The stop reach. Gathers. Thus. Momentum. By a wheel spin. Pause. Jumps. Turnstiles over stone. The still read. Beam. As thread. To life. Thru. Eyes. The needle. Prick. Skinned. Thick to. Churns the blood.

This then is story. Not by any other page. Read. Stare. The letter. Word of. Pause. Between. Two paragraphs as eye. Or. Verb. Spin. Plexus. To the noun thinned. Water of the name. That fled. As fleeing. Cries. The still of person. Atonality. Against the quiet. Scream. Blind. Stoppage of a flow.

The blow by blow. Swift. Sad. The light stilled. Waxen. Images the note. Of things unthined. Or is it soul. A figure fixes. To the other never as beyond. Is walled.

However. To be. Quiet. Tries. The any other way. No way is clear. Grows. As the spear must spear. To pain must. No shallowing reveal.

The ditch by. Overthrown. By under foot. Of pass. Beside which gathers. Of a hill. The bent horizon.

Blue as the line of being. Proves. The marked distinction. Haze upon the haze. Thrown. Shadows. These. The rays dust. Raised. By plane. Of planning. Figures. Burns.

Whatever leaves. The left. Spread digit. Unction. Of a thought. Makes motion. Flies. Descends to pocket. Embers. Files the spark.
