

VILE No.6 FE-MAIL ART

VILE International No. 6, FE-MAIL ART issue is a 112 page, 7 x 10" perfect bound, limited edition, numbered and signed. The contents are broken down into three categories: Postal Art, Postcard Art and Correspondence Art. This documentation was gleaned from The Museum of Contemporary Postal Art and the Banana Archives in San Francisco.

Included in this issue are over 100 women, ages 9 to 90, from the U.S.A., Canada, Australia, Japan, Brasil, England, France, Holland, Germany, Spain, Italy, Hungary, Poland, Czechoslovakia, Yugoslavia and Argentina.

VILE International is a magazine devoted largely to documenting the activities of artists involved in the mail-art network. Included are both mail-art works such as post cards, letters, collages, rubber stamp works and add-to and send-on pieces; and photos, diagrams and written accounts of performances, events, shows or individual projects by these artists in their home towns.
